

ft_printf_unicode_string

```
graph LR; A[ft_printf_unicode_string] --> B[ft_norm];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ft_printf_unicode_string'. The right box is white and contains the text 'ft_norm'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
