

ft_printf_set_buff_s

```
graph RL; A[ft_printf_string] --> B[ft_printf_s]; B --> C[ft_printf_set_buff_s];
```

The diagram illustrates the dependency chain for the ft_printf functions. It consists of three rectangular boxes arranged horizontally from right to left. The rightmost box, labeled 'ft_printf_string', has a dark blue arrow pointing to the middle box, labeled 'ft_printf_s'. The middle box has another dark blue arrow pointing to the leftmost box, labeled 'ft_printf_set_buff_s'. The leftmost box is shaded light gray, while the other two are white. All boxes have a black border.
