

ft\_isblank\_cr

ft\_strtrim

```
graph LR; ft_strtrim --> ft_isblank_cr
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'ft\_isblank\_cr'. The box on the right is white and contains the text 'ft\_strtrim'. A dark blue arrow points from the right side of the 'ft\_strtrim' box to the left side of the 'ft\_isblank\_cr' box, indicating a dependency or relationship between the two functions.
